## Flooring | Wall Panels | Prefinished Panels

Wood veneer, carefully selected

Easy installation

Multilayer protection, scratch and water resistant

High-end color finishing

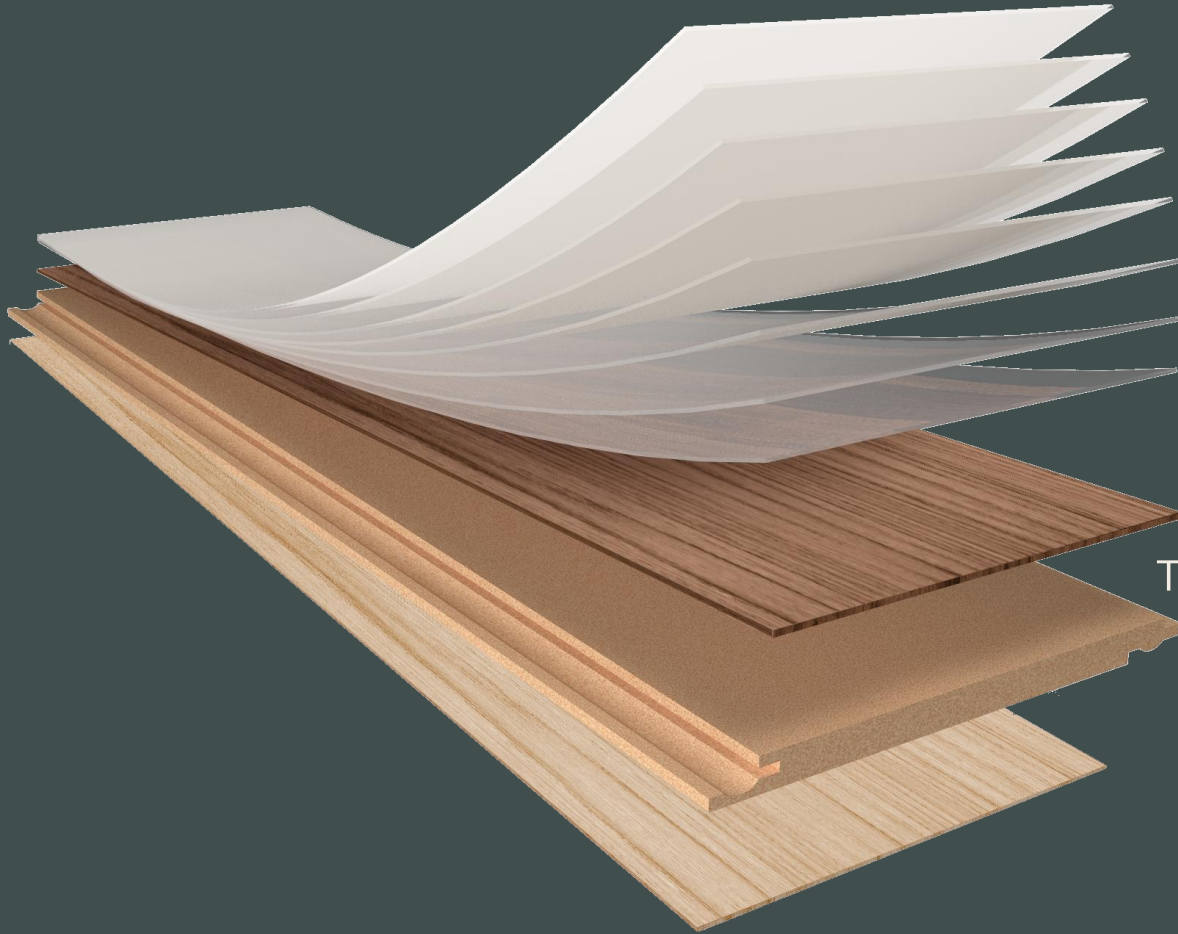

Flooring | Wall Panels | Prefinished Panels

Bring warmth and authenticity into your space with our premium **wood veneer floors**. Crafted from European oak and finished to perfection in Belgium, Flexura floors combine timeless elegance with lasting quality.

HUDSON Flooring Collection – Select grade

Multi-layer UV coating protects & preserves **the authentic texture and natural feel of real wood**

The real wood layer is the soul of the plank, bringing **natural warmth, unique grain patterns, and timeless elegance**

The HDF core **enhances hardness and shields the wood**, ensuring lasting performance beyond solid wood

Backing in veneer or cork
