Flooring

Bring warmth and authenticity into your space with our **premium wood veneer floors**. Crafted from European oak and finished to perfection in Belgium, Flexura floors combine timeless elegance with lasting quality.

Discover the warmth of a real wood floor

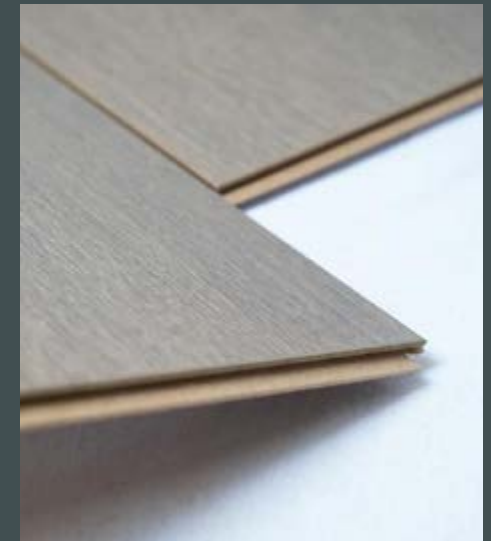

Multi-layer UV coating protects & preserves the **authentic texture** and **natural feel of real wood**.

The real wood layer is the soul of the plank, bringing **natural warmth, unique grain patterns, and timeless elegance**.

The **HDF core enhances hardness and shields the wood**, ensuring lasting performance beyond solid wood.

Backing in veneer or cork.

- ✔ **Uniclic® locking system**
- ✔ **Standard European Oak**
- ✔ **Other species available**
such as Walnut
- ✔ **Multi-layer protection**
- ✔ **Real wood**
